

BORDEAUX Celene

Château Moulin de Clotte dates back to the 19th century. It overlooks a vineyard of 8 hectares in the appellation "Castillon Côtes-de-Bordeaux". The winery is ideally located in the village of Les Salles de Castillon, a few kilometers from the city of Saint-Emilion. The owner, Françoise Lannoye, was at the origin of the new dynamism of the appellation thanks to their beautiful modern wines which highlight the potential of the greatest terroirs.
